From the Commodore

Wow, was that a great fireworks display on the 4th or what?! That was one of the finest shows I have seen since being on the lake beginning in 1993.

Even though the days have been hot and humid the winds have been quite favorable for us sailors. The spectacle of stars at night have been glorious too!

We see the original "*PainKiller*" is finally back on the lake, what a wonderful sight that is. The new "*PainKiller*" (soon to be changed) owners are on "E" dock along with another family new to the lake also, they sail a Bristol. Take a stroll over to "E" dock and welcome them to the lake!

Our next event is the annual corn/wiener roast at the pavilion on August 14th @ 7:00 p.m. This has always been one of the best events so come hungry :)

Happy Sailing!
Commodore Randy "AyeKeptIt"

August 14th:

7 PM at the Pavilion

A-J Salad
K-O Casserole
