Change in Commodore

Unfortunately, Brian Standiford is no longer in the position to serve as Commodore. Therefore, the Board of Directors has appointed Trustee Randy Wells "AyeKeptIt" to complete the term for 2010.

Hello fellow Sailing Buckeyes,

First of all I would like to thank the officers and trustees for their vote of confidence in selecting me to fulfill our recent Commodore's remaining term. I can assure all of our members of my commitment to you and our club. We are all part of the membership committee, so please reach out an inviting hand to those you think will be a good addition to our sailing family. We need more members!!

For those of you who missed the Atwood Cup Regatta, what a BLAST we had. Congratulations to the winners and everyone that participated. Fantastic wind, great course and as always a Committee Boat that was well manned and well planned. Thank you Committee Boat crew. The catered dinner, the one and only, Ginny Sirgo "Hasta Manana" put together for us was wonderful as usual. We can always count on Ginny but PLEASE some help for her will be greatly appreciated so lend a hand when possible. Better yet, someone take on the duties of Social Chairperson.

Yours in Sailing and Fellowship,
Commodore *Randy "AyeKeptIt"*

2010 Atwood Cup Regatta

The 2010 Atwood Cup Regatta was another fun event. All of the proceeds from entry fees and sponsors directly benefit the Akron/Canton Regional Food bank. This year, SBYC will be sending a check for \$775! That will feed at least 2500 meals to those in needs in a five county area! That is AWESOME! Thank you! At the dinner, there was a 50/50 raffle that took place to benefit the Tom Hudson Endowment Fund. \$270 was raised. Believe it or not, Commodore Randy pulled his OWN ticket! He was so generous and put his \$135 winnings back into the pot to be donated. THANK YOU!

An ENORMOUS Thank you to Virginia Sirgo, "*Hasta Manana*" for organizing the Cup Dinner. We had 55 members and crew attend the catered dinner by Hog Heaven. Virginia, your loyal service to SBYC is much appreciated!
